Subject: Regarding Resume updation on Erp portal by the students to avail the opportunities given by the Central Training & Placement cell

Dear Sir / Ma'am,

The Central Training & Placement Cell of Dr. A.P.J. Abdul Kalam Technical University is consistently working to bring reputed organizations and diverse career opportunities for our students across affiliated institutions.

In this regard, it has been observed that several students have not updated their resumes and profiles on the University ERP Portal. An updated resume and a complete profile are essential for shortlisting, employer sharing, participation in campus placement drives, and availing free access to courses provided by our MoU training partners, coordinated by the Central Training & Placement Cell. You are therefore requested to kindly direct all eligible students (Final Year and Pre-Final Year, as applicable) to:

- Update their latest resume on their ERP Portal through the link:- <https://erp.aktu.ac.in/login.aspx>
- Ensure to fill accurate academic, technical, and internship details
- Verify contact information (mobile number and email ID) preferably email id should be in the college domain or university domain
- Complete their profile at the earliest

Students who fail to update their resumes and profiles may not be considered for upcoming placement opportunities facilitated by the Central Training & Placement Cell.

Your cooperation in ensuring timely compliance will help maximize placement participation and strengthen the overall placement ecosystem of the University.

We look forward to your continued support in enabling better career opportunities for our students.

If you have any concern, you are requested to feel free to write at tnp.aktu@aktu.ac.in

Best Wishes,

(Neelam Srivastava)
